Dear Vickie and Jimmy:

I woke up to a beautiful morning which is very unusual even in the summer time and I am already thinking that I prefer the dark rainy days altho right now it is just perfect. Yesterday I worked in the yard too long so my legs and knees are tired today, in fact when I came in the house yesterday I was so stiff all over that it was an effort to take my shower. The knee pulling means being down on my knees, but I accomplished the project in the front except for some finishing work there to be done. I am going out again when I finish this letter. This is opening boating day and the weather is just ideal for it.

The magazine came yesterday and I am going to enjoy it very much, also reading about all the topics about trips and restaurants, and I thank you both for it. I plan to try the shrimp and rice dish.

The Bensons returned from Reno yesterday and Aunt Stella said she came home with the same amount she left with. She volunteered the information and I already knew what she would say so I didn't ask, but she had a good time and won on keeno and the dollar machines and black jack and since she was there to gamble she was goin to do just that. think I could do it.

Jeannie and Ruthie are feeling fine and Gail is going to New York so will miss the luncheon for Mary the 21st of May. Aunt Ruth is golfing in Las Vegas with three friends and Sandy and Dick are in San Francisco.

I will stop for now and go to the post office and then do a little work in the yard. Thank you again for the subscription and it will b wonderful to see you in July. d Sandy and - *I don't know what happened.*

*Love,*
